

# Aeropres Corporation Quality Policy

## 2018

"All personnel at the Aeropres are committed to supply quality products to our customers. This shared commitment is based on knowledge, mutual trust, competence, and participation in the Aeropres Quality System. Customer satisfaction is achieved through the involvement and participation of all levels of management and personnel."

Aeropres Corporation has made a commitment to meeting the requirements of the Quality Management system through the use of its Quality Management Review Boards. These Management Review Boards provide for the planning, implementation, systematic review, and continual improvement of established Quality goals and Objectives.

The **Corporate Quality Statement** for Aeropres Corporation is as follows:

"Headquartered in Shreveport, Louisiana, Aeropres Corporation employs approximately 90 persons at **five** manufacturing plants: Sibley, Louisiana; Hillsborough, New Jersey; Manhattan and Morris, Illinois; and San Dimas, California. Aeropres supplies high quality NGL (natural gas liquid) propellant to the aerosol industry and polymer-grade natural gas liquids to specialty markets."

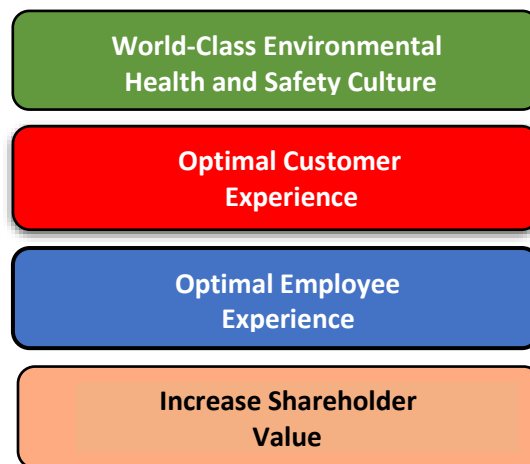

"Quality is the priority at Aeropres. Only by participating in a shared commitment to quality has Aeropres been successful in providing high quality propellant at a competitive price."

"A service-oriented organization, Aeropres continues to strive for excellence in providing exceptional technical support to its customers. Realizing that success can only be accomplished through coordinated teamwork, Aeropres's policies promote employee participation in all operations. At Aeropres, **QUALITY** is the responsibility of everyone."

We ask all employees to be familiar with the following **Quality Slogan and Goals**

"Led by a unique management team, Aeropres uses Quality Personnel, equipment, and materials to produce the highest Quality product for its customers."

**As a part of the Aeropres Strategic Plan, Aeropres Corporation established 4 Goals that each employee should learn and understand that provide the shared purpose and values of our company.**

**Bob Wilkie**  
President

**James McKeever**  
Vice President-Operations

**Mark Rivers**  
Vice President-Technical Services
